

TERRY E. BRANSTAD

January, 2006

Please join me and become a member of the Boone County Republican Century Club. We made great progress in 2005 under Bonnie Hall's leadership team in raising money and in raising Republican visibility in Boone County.

2006 is a critical year for Boone County and all of Iowa. We must elect a Republican Governor and re-elect Congressman Tom Latham. With the strong financial support of a Boone County Republican Century Club, we can give a real boost to legislative and county Republican candidates in Boone County.

I hope you will join my wife, Chris and me by contributing \$100 to the Boone County Republican Century Club for 2006.

Sincerely,

Terry E. Branstad
Former Governor of Iowa
(1983-1999)

Enclosed is a return envelope to use to send us your contribution. Please make your check payable to: Boone County Republican Party and send it today. I look forward to continuing to work with you for a better Boone County.
