

Dear

Thank you for choosing to join the Boone County Republican Century Club. This is going to be an exciting and busy year for us. We are anticipating a great campaign for our candidates from the courthouse to the Governor's mansion.

Your contribution will enable us to open an office this fall, help our candidates with their campaigns, have a booth at the Boone County Fair, and participate in several parades.

We are planning several activities for the Boone County Republicans in 2006. We will once again have the Flag Day event on June 14 and the Veterans Day Chili Contest on November 10. As a member of the Century Club, we will send you complimentary tickets to these events (two per couple). A possible third event may be held sometime during the summer.

You can learn more about the activities of the Boone County Republicans on our web site at [www.boonecountygop.org](http://www.boonecountygop.org). I hope to see you at some of our events. Thank you for your support.

Sincerely,

Bonnie Hall  
Chairman, Boone Co. Republicans
