Now we are surveying voters about what issues they care about the most. After we compile the surveys, Republican candidates statewide will be supplied this information so they can use it in mailings, door knocking, etc. What we do now for candidates all the way down the ballot will help us succeed in November! But we can't do it without your help...be apart of the movement!

Survey Voters from Home!

Don't live close to a Victory Center? **Volunteer to Phone from Home**. You don't even have to be in Iowa! College students can continue to help even when away at school. [click for details](#)
